

Calling all College and University Graduates

join us as an intern to gain career skills and put your foot on the career ladder

USAID Building Economic Sustainability through Tourism Project has several internship opportunities for graduates.

You can learn about Jordan's exciting tourism sector, gain new project management and research skills, and get a first step on your career ladder.

You must be competent in Microsoft office, have good written and verbal English.

All education backgrounds are welcome, important is your enthusiasm and motivation to gain experience.

Apply now. Send your CV along with a short letter to hmadanat@siyaha.org. Please write 'Internship' in the email title
