## **Section 1: Instructions to Offerors**

1. **Introduction:** The USAID Building Economic Sustainability through Tourism Project is a USAID program implemented by Chemonics International in Jordan. The goal of the BEST Project is to improve Jordan's economic sustainability through tourism. As part of project activities, the BEST Project requires the purchase of printing Good Housekeeping Guide to Guest House and Home Stay Operation. The purpose of this RFQ is to solicit quotations for these items.

2. **Offer Deadline and Protocol:** Offers must be received no later than 12:00PM local Jordan time on October 30, 2017 by fax (fax no. 06-5200556) or email or by hard copy delivery to the BEST Project office. Any emailed offers must be emailed to [procurements@siyaha.org](mailto:procurements@siyaha.org). Any hard copy deliveries must be stamped and signed by the offeror's authorized representative and delivered to the BEST Project. Office located at Wadi Saqra, Arrar St, Reem Center no. 244.

Please reference the RFQ number in any response to this RFQ. Offers received after the specified time and date will be considered late and will be considered only at the discretion of BEST.

Questions must be submitted in writing; phone calls will not be accepted. Questions and requests for clarification—and the responses thereto—that BEST believes may be of interest to other offerors will be circulated to all RFQ recipients who have indicated an interest in bidding.

Only the written answers issued by BEST will be considered official and carry weight in the RFQ process and subsequent evaluation. Any verbal information received from employees of BEST or any other entity should not be considered as an official response to any questions regarding this RFQ.

4. **Specifications:** Section 3 contains the technical specifications of the required items. All commodities offered in response to this RFQ must be new and unused.

5. **Quotations:** Quotations in response to this RFQ must be priced on a fixed-price, all-inclusive basis, including delivery and all other costs. Pricing must be presented in Jordan Dinars. Offers must remain valid for not less than sixty (60) calendar days after the offer deadline. Offerors are requested to provide quotations on their official quotation format or letterhead; in the event this is not possible, offerors may complete the table in Section 3.

In addition, offerors responding to this RFQ are requested to submit the following:

7. **Source/Nationality/Manufacture:** All goods and services offered in response to this RFQ or supplied under any resulting award must meet **USAID Geographic Code 937** in accordance with the U.S. Code of Federal Regulations (CFR), [22 CFR §228](#) (Annex I). 8. **Warranty:** Warranty service and repair within the cooperating country is required for all commodities under this RFQ. The warranty coverage must be valid on all commodities for a minimum of twelve (12) months after delivery and acceptance of the commodities, unless otherwise specified in the technical specifications.
9. **Taxes and VAT:**

The agreement under which this procurement is financed does not permit the financing of any taxes, VAT, tariffs, duties, or other levies imposed by any laws in effect in the Cooperating Country. No such Cooperating Country taxes, VAT, charges, tariffs, duties or levies will be paid under an order resulting from this RFQ.
10. **Eligibility:** By submitting an offer in response to this RFQ, the offeror certifies that it and its principal officers are not debarred, suspended, or otherwise considered ineligible for an award by the U.S. Government. Best will not award a contract to any firm that is debarred, suspended, or considered to be ineligible by the U.S. Government.

**Evaluation and Award:** The award will be made to a responsible offeror whose offer follows the RFQ instructions, meets the eligibility requirements, meets or exceeds the minimum required technical specifications, and is judged to be the best value based on a lowest-price, technically-acceptable basis.

Please note that if there are significant deficiencies regarding responsiveness to the requirements of this RFQ, an offer may be deemed “non-responsive” and thereby disqualified from consideration. Chemonics reserves the right to waive immaterial deficiencies at its discretion.

Best-offer quotations are requested. It is anticipated that award will be made solely on the basis of these original quotations. However, Best reserves the right to conduct any of the following:

- BEST may conduct negotiations with and/or request clarifications from any offeror prior to award.
- While preference will be given to offerors who can address the full technical requirements of this RFQ, BEST may issue a partial award or split the award among various suppliers, if in the best interest of the BEST Project.
- BEST may cancel this RFQ at any time.

Please note that in submitting a response to this RFQ, the offeror understands that USAID is not a party to this solicitation and the offeror agrees that any protest hereunder must be presented—in writing with full explanations—to the BEST Project for consideration, as USAID

will not consider protests regarding procurements carried out by implementing partners. Chemonics, at its sole discretion, will make a final decision on the protest for this procurement.

11. **Terms and Conditions:** This is a Request for Quotations only. Issuance of this RFQ does not in any way obligate Chemonics, the BEST Project, or USAID to make an award or pay for costs incurred by potential offerors in the preparation and submission of an offer.

This solicitation is subject to BESTs' standard terms and conditions. Any resultant award will be governed by these terms and conditions; a copy of the full terms and conditions is available upon request. Please note the following terms and conditions will apply:
