## **Section 1: Instructions to Offerors**

1. **Introduction:** The USIAD Building Economic Sustainability through Tourism (BEST) Project is a USAID program implemented by Chemonics International in Jordan. The goal of the BEST Project is to improve Jordan's economic sustainability through tourism. As part of project activities, the BEST Project requires the purchase of 2 Projectors, 2 Desk-Top Computers and 2-Projection Screens to support Yarmouk University pedagogical system of education. The purpose of this RFQ is to solicit quotations for these items.

Offerors are responsible for ensuring that their offers are received by Chemonics in accordance with the instructions, terms, and conditions described in this RFQ. Failure to adhere with instructions described in this RFQ may lead to disqualification of an offer from consideration.

2. **Offer Deadline and Protocol:** Offers must be received no later than **2:00PM** local Jordan time on March 1st, 2018 by fax (fax no. 06-5200556) or email to [procurements@siyaha.org](mailto:procurements@siyaha.org).

Please reference the RFQ number in any response to this RFQ. Offers received after the specified time and date will be considered late and will be considered only at the discretion of Chemonics.

3. **Questions:** Questions regarding the technical or administrative requirements of this RFQ may be submitted no later than **2:00PM** local Jordan time on **February 25, 2018** by email to [procurements@siyaha.org](mailto:procurements@siyaha.org). Questions must be submitted in writing; phone calls will not be accepted. Questions and requests for clarification—and the responses thereto—that Chemonics believes may be of interest to other offerors will be circulated to all RFQ recipients who have indicated an interest in bidding.

Only the written answers issued by Chemonics will be considered official and carry weight in the RFQ process and subsequent evaluation. Any verbal information received from employees of Chemonics or any other entity should not be considered as an official response to any questions regarding this RFQ.

4. **Specifications:** Section 3 contains the technical specifications of the required items.
5. **Quotations:** Quotations in response to this RFQ must be priced on a fixed-price, all-inclusive basis, including delivery and all other costs. Pricing must be presented in Jordan Dinars. Offers must remain valid for not less than thirty (30) calendar days after the offer deadline. Offerors are requested to provide quotations on their official quotation format or letterhead; in the event this is not possible, offerors may complete the table in Section 3.

In addition, offerors responding to this RFQ are requested to submit the following:

- Organizations responding to this RFQ are requested to submit a copy of their official registration or business license.

6. **Delivery and Installation:** The delivery location for the items described in this RFQ is **Yarmouk University, Irbid-Jordan**.

8. **Warranty:** Winning bidder is committed to providing at least a 1-year warranty including remote support.
9. **Taxes and VAT:** The agreement under which this procurement is financed does not permit the financing of any taxes, VAT, tariffs, duties, or other levies imposed by any laws in effect in the Cooperating Country. No such Cooperating Country taxes, VAT, charges, tariffs, duties or levies will be paid under an order resulting from this RFQ, including those of the 3<sup>rd</sup> party service providers.
10. **Eligibility:** By submitting an offer in response to this RFQ, the offeror certifies that it and its principal officers are not debarred, suspended, or otherwise considered ineligible for an award by the U.S. Government. BEST will not award a contract to any firm that is debarred, suspended, or considered to be ineligible by the U.S. Government.
11. **Evaluation and Award:** The award will be made to a responsible offeror whose offer follows the RFQ instructions, meets the eligibility requirements, and demonstrates responsiveness to the following criteria:

Best value will be used in the evaluation of all offers. Price will play an important factor in the selection process. Chemonics reserves the right to waive immaterial deficiencies at its discretion.

Best-offer quotations are requested. It is anticipated that award will be made solely on the basis of these original quotations. However, BEST reserves the right to conduct any of the following:

- BEST may conduct negotiations with and/or request clarifications from any offeror prior to award.
- While preference will be given to offerors who can address the full technical requirements of this RFQ, BEST may issue a partial award or split the award among various suppliers, if in the best interest of the BEST Project.
- BEST may cancel this RFQ at any time.

Please note that in submitting a response to this RFQ, the offeror understands that USAID is not a party to this solicitation and the offeror agrees that any protest hereunder must be presented—in writing with full explanations—to the BEST Project for consideration, as USAID will not consider protests regarding procurements carried out by implementing partners. Chemonics, at its sole discretion, will make a final decision on the protest for this procurement.

12. **Terms and Conditions:** This is a Request for Quotations only. Issuance of this RFQ does not in any way obligate Chemonics, the BEST Project, or USAID to make an award or pay for costs incurred by potential offerors in the preparation and submission of an offer.

This solicitation is subject to Chemonics' standard terms and conditions. Any resultant award will be governed by these terms and conditions; a copy of the full terms and conditions is available upon request. Please note the following terms and conditions will apply:
