

Internship Opportunities for Recent Graduates

Are you interested in learning more about Jordan's the exciting Tourism Sector?

Do you find yourself diving into tourism reports, statistics and economic data?

Can you write reports in English? Can you format reports? Do you like researching? Then this internship at USAID Building Economic Sustainability through Tourism project is made just for you!

Are you a recent graduate bored and looking for an interesting internship opportunity? Are you seeking a first step on your career ladder and building your work skills? Are you competent in Microsoft Word, Excel and PowerPoint? Are you excellent in both written and verbal English? Ready and interested in improving your document design and layout skills?

Then mark your footprint on the first step of this journey and send us your CV and a short cover letter introducing yourself to careers@siyaha.org !

All educational backgrounds are welcome, if coupled with enthusiasm and hard work.

Interns are expected to be available from 1-3 months, 15 days per month (6 hours a day).

Please write 'Internship' in the email title.
